To be completed by Supervisor/Manager

Name of Supervisor/Manager:

Applicant Name:

Please explain why you have nominated this staff member for the Dementia Change Champions Program. If possible, provide examples of leadership and initiative they have demonstrated.

Please describe how your organisation will utilise the knowledge and skills of this staff member to build capacity and improve practice within your current services for people living with dementia.

Commitment pledge

Applicants understand that approximately 6-8 hours of personal study time each week may be required to complete the study program and commit/consent to:

- Undertake training made available as part of the Dementia Change Champions Program and understand that all sessions are mandatory.
- Attend Dementia Champions network meetings and workplace visits.
- Participate in workplace support sessions bi-annually or as required.
- Provide practice improvement images and media consent to Alzheimer's WA and the funding body as requested.
- Program progress, including training attendance being shared with workplace supervisor.
